## **RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

**Violation #1:** Artie Frank Bramley is alleged to have been cited for operating a motor vehicle without insurance, no driver's license on person, third degree driving while license suspended, and reckless driving on July 30, 2018.

On October 5, 2017, the conditions of pretrial release supervision were reviewed with Mr. Bramley. He acknowledged an understanding of his conditions, which included condition number 1.

The following information was gathered from Chewelah Police Department report number H1801486 and local court records.

On July 30, 2018, at approximately 4:47 p.m., an officer with the Chewelah (Washington) Police Department responded to a traffic collision in Chewelah, Washington. Upon arrival at the scene, a female passenger was trapped in the vehicle and Mr. Bramley, later identified as the driver of this vehicle, was standing near the car.

Witnesses advised the vehicle allegedly operated by Mr. Bramley was traveling southbound and crossed the center line of the roadway into the northbound lane, striking a semi-truck traveling in the northbound lane.

The officer contacted Mr. Bramley, at which time he reportedly had no form of identification. Mr. Bramley allegedly explained that his wallet had been stolen. He also reported to the officer that his driver's license was suspended. Subsequently, the officer confirmed Mr. Bramley's driver's license was suspended in the third degree.

Mr. Bramley allegedly told the officer that he had stopped for some food and his fiancé was sleeping in the vehicle so he placed the food underneath the driver seat. A dog in his vehicle allegedly kept trying to jump on to the floor board to get the food from underneath the seat causing him to take his eyes off the road when he struck the semi-truck. After striking the semi-truck, Mr. Bramley's vehicle came to a stop and nearly struck a bystander.

Mr. Bramley's fiancé was transported by ambulance from the scene. His daughter, who was also in the vehicle, was medically cleared at the scene.

Mr. Bramley was cited for operating a motor vehicle without insurance, no driver's license on person, third degree driving while license suspended, and reckless driving.

According to available court records, Mr. Bramley was formally cited for operating a motor vehicle without insurance and no driver's license on person on July 31, 2018, in Stevens County District Court case number 8Z0452742. No other information is available at this time.

In addition, Mr. Bramley was formally charged in Stevens County District Court case number 8Z0452741 with third degree driving while license suspended and reckless driving. On August 20, 2018, Mr. Bramley appeared on a summons in Stevens County District Court. His next scheduled court appearance in this matter is on September 5, 2018.

**Violation #2:** Artie Frank Bramley failed to report law enforcement contact reported in violation number 1 until August 9, 2018.

On October 5, 2017, the conditions of pretrial release supervision were reviewed with Mr. Bramley. He acknowledged an understanding of his conditions, which included condition number 1.

As noted in violation number 1, Mr. Bramley was cited for operating motor vehicle without insurance, no driver's license on person, third degree driving while license suspended, and reckless driving on July 30, 2018, by the Chewelah Police Department. Mr. Bramley failed to report the aforementioned law enforcement contact until August 9, 2018.

**Violation #3:** Artie Frank Bramley allegedly failed to report for random drug testing on July 16, 23, and 26, 2018.

On October 5, 2017, the conditions of pretrial release supervision were reviewed with Mr. Bramley. He acknowledged an understanding of his conditions, which included condition number 17. On that same date, Mr. Bramley was referred to the phase urinalysis testing program, in which he was instructed to call Pioneer Human Services daily to determine if he was required to submit to random drug testing.

Available records indicate, Mr. Bramley failed to report for random drug testing at Pioneer Human Services on July 16, 23, and 26, 2018.

The undersigned officer confronted Mr. Bramley about his failure to appear for random drug testing. Mr. Bramley reportedly was told he was going to be successfully discharged from outpatient substance abuse treatment. Due to this discharge, he believed he was no longer required to submit to random drug testing. The undersigned officer instructed Mr. Bramley to continue to submit to random drug testing at Pioneer Human Services until further notice.
